

NOTES:

1. Dimensions in [...] are in inches.
2. Width and height of mounting plate per customer requirement.
3. Thickness of mounting plate shall be 4mm [5/32"] or less when using nuts to fasten Goofy Bolt to plate.
4. Mounting boss thread size is M4x0.7. Do not use nylon lock-nuts.
5. For thicker mounting plates, glue Goofy Bolt in mounting holes.
6. Bolt thread sizes are M10x1.5 and/or M6x1.0.
7. Designs subject to change without notice.
