Hey there !

I received today my first printed jewelry I've made ! I was sooo excited ! Makes me wanna design more and more !
Pips, what do you think ?

You can see them better at http://www.shapeways.com/shops/sparkles

Cheers !

They look fantastic! Yep, it's an addiction isn't it? :twisted: Successfully modelling, printing, and finally holding one just makes you want more... more!

Nice work Marie!

How did you get that nice sticker? ;)

Cheers,

Bart
