Hi Shapeways fans,

Today I broke the world record of highest order twisty puzzle. A Rubik's Cube is 3x3x3, so it is order 3. The previous world record was my order 13 Unlucky Twist puzzle, a 1x2x13. The new world record is order 23, my Overlap Cube 2x2x23.

Watch the YouTube video.

Buy the puzzle from my Shapeways Shop.

Check out the photos below.

Enjoy!
