Hi Shapeways fans,

Hollow Diamond is an octahedron-shaped twisty puzzle that is completely hollow inside. The puzzle has the geometry of a Skewb puzzle. The puzzle is constructed by taking a Minimal Twist puzzle and adding six pyramid-shaped plugs. Frank Tiex and Carl Hoff came up with the suggestion to add plugs.

Watch the YouTube video.

Buy the puzzle from my Shapeways Shop.

Read more at the Twisty Puzzles Forum.

Check out the photos below.

Enjoy!

Oskar
