not a 3d printer but it's a 3d pen printer, this means we can draw art in real life not to be limited on paper hahah,

This is amazing !!!

I know one of the cofounders slightly, and now I feel unjustifiably proud to have been part of the viral epicenter of that.

He's got his work cut out for him now though: gotta think of some stretch goals quick!

Meanwhile, here's something similar in wax: http://www.dumatt.com/Tools/mattgun.html
