Hi Shapeways fans,

Over the Top 17x17x17 has now been formally acknowledged by Guinness World Records as the world's largest order Rubik's Cube (magic cube).

I wish to thank all the people who have supported this world record.

- Peter Weijmarshausen of Shapeways for sponsoring this puzzle and his witness statement to Guinness
- Claus Wenicker for sponsoring previous prototypes of this puzzle
- Tony Fisher for his expert witness testimony to Guinness
- Tom Curtofello for organising the New York Puzzle Party Symposium, where the puzzle was made public, and for his witness statement
- Eric Vergo for his witness statement as fellow designer
- Ana Hevesi of Shapeways for organising all the publicity and for her witness statement
- Jose van Deventer for making all video footage, for her witness statement and for all support for many years

Finally many thanks to you, Shapeways fans, Twisty Puzzles fans and YouTube viewers, for your enthusiasm for these puzzles and for your encouraging comments.

Watch the YouTube video with puzzle and certificate.

Buy the puzzle at my Shapeways Shop, as already several people have done.

Read my previous post at the Twisty Puzzles Forum.

Read more on this world record at the Twisty Puzzles Forum.

Check out the certificate and photos below.

Enjoy!

Oskar
