Hi Shapeways fans,

Candy Wrapper is a six-piece burr with spiral parts. The six pieces intersect each other at two placed at a 90-degrees angle. Because of the looks of the puzzle, George Miller coined it "Candy Wrapper". The seventh part is a little ball, which is the candy that is hidden in the wrapper.

Watch the YouTube video.

Buy the puzzle at my Shapeways Shop.

Read more at the Non-Twisty Puzzles Forum.

Check out the photos below.

Enjoy!

Oskar
