Hi Shapeways fans,

Gardner Ball is a tribute to Martin Gardner. This tribute has the name "Gardner" tessellated around a sphere. The tessellation was designed by Scott Kim, and Oskar 3D-ified it. This math-art object was commissioned by Tom Rodgers. Samples were handed out at the Gathering for Gardner (G4G10) at Atlanta, end March 2012.

Watch the YouTube video.
Buy the ball at my Shapeways Shop.
Read more at the Non-Twisty Puzzles Forum.
Check out the photos below.

Enjoy!

Oskar
