Hi everyone,

You might have noticed that your payments were a couple days late this month. The final payment was sent out Thursday the 19th. We sincerely apologize for any inconvenience this might have caused. The payments for March were not settled correctly and we had to correct this before paying out the month of April. We took some extra time to triple check the amounts to ensure that everyone was paid correctly. We take your shop finances very seriously and are doing everything we can to mitigate issues like this in the future.

Thanks for your patience the last couple days, and as always, please let us know if you any feedback. If you have any specific questions or concerns about this month's payment, please email us at [service@shapeways.com](mailto:service@shapeways.com) and we'll look into it immediately.
