Subject: Option of sorting models in gallery by price?

Hi, I was wondering if there could be an additional option of viewing the models in the gallery by price.

Right now, there's only sorting by views, titles, rating, owners and dates. But if I want to find something within $10, no way I am going to scroll through pages and pages of models just to find something that fits.

Yup good remark.

And I can imagine you would like to just select a price range? Let's say $10 - $20 and get all products which are within that price range.

Cheers!

Robert

Ok guys, point well taken.

I'll ask development, when and how we can do this.

Meanwhile lets check how many people agree with you guys: http://www.shapeways.com/poll
