Subject: Most cost effective option- same model several times, or include duplicates in one model?

Posted by voltctrl on Mon, 05 Nov 2012 20:31:54 GMT View Forum Message <> Reply to Message

Read about there being a "handling cost" for the models. Is it therefore cheaper to make just one model, containing several identical parts, and then cut them apart by hand? This opposed to ordering several copies of the part. If anyone is familiar with Warhammer or model planes, I'm pretty sure you understand what I mean.
