Sorry if im doing wrong but I dont know if this is the correct place to post this,

im looking to see if it is possible to create a solid part for this Transformer? How much would this cost? and what do I need to do to get this created?

You can see in the picture he is missing a part of his jaw.. can another part be made? It is one solid piece if that helps..

please help.

P.S.... IS THIS EVEN POSSIBLE!?
