Hi Shapeways fans,

All Around is a twisty puzzle that combines properties from Mixup Cube, Babyface Cube, Super Edges and Zygmunt's Cube. With all these mechanisms combined, it is quite an all-rounder.

Quiz question: which puzzles from the Twisty Puzzles Museum can be made by unbandaging All Around?

Watch the YouTube video.

Buy the puzzle at my Shapeways Shop.

Read more at the Twisty Puzzles Forum.

Check out the photos below.

Enjoy!

Oskar
