Hi spheria,

This started 7 days ago:
[read more about this here](#)

We will do our best to fix this this week.
Our apologies for the inconvenience

Hi Spheria,

As Mitchel said, this is related to InShape 2.0.

This thread tracks all the issues related to the launch, so I will close this thread and direct you here:

As an update, the Yippee emails will be going out in the next day or so.

Thank you for your patience!
Natalia
