BEEEEEEHOLD!

My name is Raizer04, i am a video game modder/portablizer. I decided to make an account here seeing as I purchased a BFB 3d touch printer (will be here in about 2-3 weeks). I am also building a WarMachine suit entirely from my 3d printer.

Nice. Do share some images of models you made on the Touch! How do you like it so far?

Cheers,

Bart
