Hi,

I like the song "What a Wonderful World", performed by Louis Armstrong. ... So I made a banner pendant with it.

Happy coincidence that I managed to shoot it with a rainbow today. Rainy weather brings beauty sometimes.

Very nice, how small is that text? I'm surprised that printed.

Hi Mike,

the text is about 4 mm high. 0,157 inch?

Guess it really shouldn't be smaller. I had to blacken the text to make it better readable.
