Got two sets of the clever little PI brackets, but one set had the ears broken off. The thing was packaged like they expected it to be shot out of a cannon, so I can only assume a printing defect, or rough handling by the packers.

Hi hiropro4,

I'm sorry this is happened, can you please sent me an E-mail to: [service@shapeways.com](mailto:service@shapeways.com) with some pictures attached, - and the orderid.

Than I'm going to help you out!

Thanks already

Cheers Maartje
