Hi,

I'm very new to this concept but have been browsing these forums the last few days.

I want to create a bust of my dog (as if he were a roman general). Obviously I'm able to take photos etc but I'd need design and modeling help to make it happen.

Please let me know how to proceed. Thanks for the help.

hi,
please see attached image of a dog bust that i did before .
i'm a 3d modeler for over 15 years and i'm capable of model almost anything similarly based on references provided
you may view my works at my website :

<http://www.its-ming.com/servicegallery.html>
<http://www.its-ming.com/2000/html2000/portfolio2005/main.htm> I

if interested, please email to my personal email add as i don't check this site mail often
email : ming@its-ming.com

thanks
ming
