Welcome! Okay, I voted, but which 3D app is YOUR favorite?

Cheers,

Bart

Thanx!

Iv learned a bit of modeling in Maya and C4d. Im more familiar with maya and love the c4d renderer

but My favrit is blender.. bcuz its free!! But im only taking baby steps in it..

That's a great answer We have a lot of Blender history in this company, and I run BlenderNation.com - Blender news.

Enjoy!
