Hey,

I would love to get some feedback or peoples thoughts about my rings i have just made available on Shapeways.

<http://www.shapeways.com/shops/jjphowlett>

You'll also notice i have listed all rings in my shop description as an attempt to try and make it easier to see all my rings without trolling through each ring in its different sizes. What do you think about this, does it confuse things maybe?

Thanks for your comments

Actually this is a great example of how to organize your shop!  
Well done!
