Hi,

For a project I need a sculpturer for modelling a cosmonaut figure in seated position and 3 different heads. If easier you also may model the cosmonauts seat.

Scale 1:12
Detail: high, life-like
Fabrication by open face mold for resin casting

Delivery time: Q2, 2013

Please respond with a link to your portfolio.

regards,

LVM Studios

Hello,

I'm a freelance 3D artist | character modeler with about 20 years of experience. This sounds like an interesting job to me.

You can check some of my work here: <http://www.toonafish.nl> and <http://www.cyberfish.nl>

Please email me if you're interested, or would like more information: ronald@toonafish.nl

Cheers,
