Not sure if I should go with a ring or a pendant. Why put myself on a pendant or ring...? Why not.

Id like to see what you guy think. Should I go with a pendant or a ring?

LOL, well what can I say. I'm stuck with this face. Anyways, thanks man... I think.

I can't take any credit on this model of me. A fellow shapeways member hooked me up with this caricature of me. All he needed was some pictures.

Did you check out this creature he made? This is the sort of quality that I would like to be able to print in full colour.

Im leaning more towards a pendant and make a shirt out of it too.

If this offends anyone, please let me know ASAP and I will remove it immediately. That is not my intention.

Kanye who?
