Example: all the dice that were at \$9.99 are now \$8.49.  
Have a wonderfull Cyber Monday!

Nice to hear you could use it. You were not the only one  
I think I will let this discount for at least another couple of days.

Black Friday, Cyber Monday, 3 days of 3D... I appreciate that Shapeways is multiplying the discounts this year.

As a consequence, I am maintaining my own 15% discount on The Magic Shop (whatever the model whatever the material) until December 7th too.

You can combine both discounts to offer a present for this Christmas!

Can't stop the discounts! Now Shapeways is offering 20% off on all Stainless Steel prints if you order more than \$75!

Thus I maintain the 15% off on the whole shop. Check out the Stainless Steel dice, they are fantastic!
