Hi Isaac!

Your work is incredible! My name is Joey Versaw,  
I am a doll artist and have stepped into the land of 3d printing. I have a doll already done but I  
need another and wanted to go with a different artist for it. It is fairly simple in design and small.  
Would this be of any interest to you? Please let me know  
Thank you, Joey Versaw  
my email is: [marymagpiedolls@yahoo.com](mailto:marymagpiedolls@yahoo.com)  
I also have a bear doll project I need to do as well.

Hey there!

I'm looking for somebody to sculpt some miniatures for my 'Munchkin' collection. I love the game,  
but would love some custom mini's of the races? Think you could help?

If you are interested, please let me know, as I am keen to move on this

Thanks for your time.

Dan
