Hi Guys,

I love how we share what we are up to amongst ourselves here on the forum, and Bart, Michael and I thought it would be great to share it with the wider Shapeways community.

So from today, we're pleased to announce the Shapeways Community Journal, a bi-weekly blog post celebrating what is going on in our community!

Check out the first installment today:

Let us know what you would like to see included next time!

Best,
Natalia

Hey folks,

any reactions? I'm rather curious about what you think of the CJ.

Thanks
