Hey there !

I received today my first printed jewelry I've made ! I was sooo excited ! Makes me wanna design more and more !

Pips, what do you think ?

You can see them better at <http://www.shapeways.com/shops/sparkles>

Cheers !

They look fantastic! Yep, it's an addiction isn't it? Successfully modelling, printing, and finally holding one just makes you want more... more!

Nice work Marie!

How did you get that nice sticker?

Cheers,

Bart
