Hi there,

3 sets of dice arrived.

The Odd Spherical Dice set (contains all the spherical dice with an odd number of faces from 9 to 19.):

The DCC Expansion pack (contains 6 dice: D3, D5, D7, D14, D16 and D24)

I also received the regular Sphere Dice set but I have no new picturew currently.

If you combine all three dice sets, you got:

- D3, D4, D5, D6, D7, D8, D9, D10, D11, D12, D13, D14, D15, D16, D17, D19 and D20 plus the D24.

You can get even more by adding:

- D18
- D22
- D32
- D33

You still got 15% off on the entire shop until the end of the year.
