Are you looking for a cheap Model or Prototype to be designed? Have an idea you want made for real. I am offering cheap 3D prototypes costs. I have been modeling for over 4 years and am currently starting my own after hour business doing 3D Modeling. Please Visit www.mcaleerdesigns.com and fill out the form to get a quote on your Model you would like made. Check back to the website soon as the grand opening will be launched in two weeks.
