Hey guys,

Here are the highlights of yesterdays update. Enjoy!

- A more "Shopper Oriented" home page, which we hope will give everyone some more sales by highlighting your products! *
- Improved Blog image speed.
- The feed no longer shares private favorites
- Many other appearance and information updates and fixes

*Incidentally, if one of your resolutions for the New Year is to make more sales on your Shapeways Shop, read the Shop Owner Holiday Tips Series.

Thanks,
Mike
