Hi,

I believe you should be able to use your creditcard on PayPal without creating an account. Did you try that?

Alternatively you can pay using a bank transfer - you'll find it on the last step of the ordering process:

Bank payment orders are slower though as we'll only start production after the payment arrives.

Does that help?

Cheers,

Bart

Ah sorry, I had misunderstood. Yes, in order to receive payments from your shop you will need a PayPal account - we have no other means to send you money at this moment, sorry.
