About me:

Mechanical Engineer with 6+ yrs experience in Aerospace / Medical Device Industries. Testing the waters to see what kind of work is available online. Check out my Website (work in progress) @ <http://shincarlos.wix.com/alucinor#!>

Expertise:

Design Consulting, 3D Modeling / Drafting

Experience:

Solidworks for CAD Modeling / Drawing creation, recently started using Zbrush for more artistic work. Waiting to receive a Replicator 2 from Makerbot to start printing soon!

Portfolio:

Nothing but placeholders for now, but check out my website for some more info!

Rate:

Just starting up my freelance business, so let's discuss per project!

Thanks!

Carlos
