Hi Guys,

We're excited to share that photo comments are here!

Ever wanted to show a designer their model on your desk? Suggest an improvement? Now with one click, you can!

Check out the blog post explaining this new feature here:

<http://www.shapeways.com/blog/archives/1880-New-Website-Feature-Photo-Comments.html>

I'm gonna snap a pic of all the cool products on my desk!

Can't wait to see what you share!

-Natalia
