Hi all,

I am iskander71 from France. I am using Cinema 4D and still learning. I like typo (I have worked on 3d Arabic calligraphy) and modeling in general. I don't know yet details of the aim of Shapeways, but I hope we will have to do together.

see you soon !

iskander71

examples of what I did or what I'm doing:

3d calligraphy:

last creation: ak47

work in progress: robot, tron cycle

if you want, you can see more of my work in this blog :

Welcome iskander!

I like the 3D caligraphy. Just be aware we don't print guns on Shapeways (see our content policy: http://www.shapeways.com/legal/content_policy)

Thanks!
Natalia
