Hi Guys,

Just to let you know, PayPal is experiencing issues at the moment and payments made to Shapeways (we use PayPal) are going through but your order does not show up in "My Order" right away.

Rest assured your order is going through, it's just a delay on the side of PayPal so no need to order twice. If you did order twice, please contact service@shapeways.com and we will refund you straight away.

PayPal is working to resolve the issue, as we are, so please bear with us it shouldn't be long!

Best,
Natalia
