Hi from the cold UK.

Came across your site via devart and researching into Fractal art.

Why are you not based in the UK?

Software: Learning to use blender
Experience: none in 3D model, 3D printing.
This is a new hobby for me.

Hi fmulder48,

welcome!

We ship worldwide, so in a sense we're in the UK as well. If you'd like to meet some fellow UK Shapeways members, then check out the 'Shapeways World Meetup' which will be held on february 28th.

Cheers,

Bart

Thanks for this.

Will check out the link.

Pity you are no longer doing glass material.
