Hello,

I'm providing cheap 3d modeling services of inorganic models, industrial models. I have 2+ years of experience in 3D modeling.

Pricing \$10 per hour.

If you are interested please send me filled template which I provide to you below:

Contact:  
Time Zone/Country:  
Personal Use/Company Use  
Description of the model:  
Reference/ Your own design:  
Dimensions:  
Material Printable:

After you submit such form to my e-mail : [miszalacinski@gmail.com](mailto:miszalacinski@gmail.com) or in this post, we can discuss the exact price and production time.

Also you can phone me if needed: UK mobile phone number : 07934570257

Mieszko Lacinski

With her positive mind and adaptive attitude, I can finish my small project recently.

She knows how to meet the due date and requirement within a budget.

I leave thanks here.

Brad

Hi Irokrhus,

it's great that you are so keen to help people realize their ideas, but to ensure the forum stays a friendly place, can you please stick to the guidelines and not bump your posts more frequently than monthly?

Thanks so much,  
Natalia
