Hi there...I'm a jewelry designer and looking for someone to help me create a couple of 3D jewelry models. Please email me at jt (at) sweet1985.com I'm on a low budget/cost. We are a very new and small company. I have drawings and actually designs of what I want.

Thank you!!!

Hi Sweet1985,

I think we can help out, check out our 2 shops here @ shapeways to see what kind of jewelry pieces we've designed for ourself.

We already design special rings and pendants for jewelers and goldsmiths at a low rate.

www.shapeways.com/shops/fabme
www.shapeways.com/shops/gad

We look forward to hearing from you,

Wesley Günther
