when i am reading private message. it is possible to see what i write him/her before, while writing respond? It will help to stay in subject if i write with multiple people at once.

And it is only me that doesnt like that i can access PM only from forum tab?

thx

Hi Keymaker!

Private Messages is something that we're looking to overhaul as a whole in the near to mid future. When we do, you will be happy to know that both the issues you raised will be addressed!
