The best way to make customized stands for your iOS devices (Apple iPhone and iPad).

<http://www.archipelis.com/Services/StandCreator/>

http://www.shapeways.com/shops/ios_stands

Customize and 3D print on Shapeways!

This is a shared initiative between KiorÃ²desiGn and Archipelis.com.

This is great to see a simple 3D printing app for something useful.

Please let me know as soon as you have photographs of prints so we can promote this on the Shapeways blog.
