Hi

I need to have a 3-d model created of a classical bust like the one pictured below but with my husband's likeness.

I'd like the bust to be fairly small (I'm thinking 4 inches) so that I can print them for cheap.

I can provide pictures of my husband or we can have his face scanned at the Makerbot store.

If you are interested please send me an example of your work as well as a price estimate.

Thanks!  
Lauren
