Hi,

I am a 3d modeler specialized in character sculpting and texturing, but am able to create a variety of things in 3d. I prefer high poly sculpting to low poly.

For reference this is a link to my online portfolio: <http://dmitrijleppee.carbonmade.com/>

If you feel I can create something for you, please feel free to contact me directly at dleppee@gmail.com

Best
Dmitrij
