Hello Shapewayers,

Been on vacation so my apologies for all those I have yet to respond to! As a 3D Modeler, Animator, and 3D Consultant in New York I can help you realize your 3D idea from its beginning stages to brilliant 3D model finish. I specialize in Toy Design, Jewelry, and Industrial/Mechanical Design. Should you have a wild idea or a simple one, we can work together to produce high quality results.

Rates are fixed/Revision Retainers apply/Projects include: Proposal + Render+Model.

Paypal preferred. Quotes & Contracts based on scale and artist/client approved payment plan.

Feel free to email 24/7

Happy 3D'ing!

Best,

John
