Two days ago i got my first print in blak detail. I am waiting now for another two metalprints. the shapeway email system says they were shipped at the same date like this, but they don't arrived . I hope they will come the days

Good quality and its a little bit flexible.

Hi Oliver ,

please sent your order/invoicenumber to [service\[at\]shapeways\[dot\]com](mailto:service[at]shapeways[dot]com) and we will try to figure out what went wrong. And dont worry..we will come up with a proper solution!

Hope this helps you out a bit!

Cheers Ralph
