Hi Shapeways fans,

UNSCRAMBLED is a twisty puzzle of the Hockey Puck type. The object is to scramble it en then try and get it UNSCRAMBLED. This puzzle is extremely difficult. It is the result of a collaboration between Bram Cohen, George Miller and myself.

Watch the YouTube Video.

Buy the puzzle at my Shapeways Shop.

Oskar,

I love see what puzzle you will come up with next, and how all the parts will fit together.

I love the simplicity of this one, it is very deceptive.

Great work as always

Regards,
Ian.
