Hi all,

After all that hard work, I felt I needed to treat myself, so I finally went ahead and ordered myself one

Tada

Close up:

Better one Snake in the hand..

Size compared to a one Euro coin

As you can see it's not too small

It measures roughly 20 x 20 x 8 cm. (8"x8"x3")

Snake an Invertebrate

Now to find the best place to put it
