Hello to the community,
my name is Harold,
I'm new guy from france CORSICA.
I'm 34 years old.

Mr Ralp van den Borst, Customer Service Manager of Shapeways say to me to go here to find help for 3D design.

I'm a big fan of "The masters of the universe" action figure so I would like to find someone here to help me and maybe try to draw some designs in 3D to do sculpt it on 3D print.

I have no software and I'll don't no use it if have one!!!!
