Hi everyone,

I'm a new employee of Shapeways, having started earlier this week. I am working from the New York City office, and serve as Product Lead for the website. (See the introductory blog post for me and two other co-workers here: <http://www.shapeways.com/blog/archives/706-New-Colleagues!.html>)

I'm looking forward to meeting and working with all of you in this great community of talented creators! If you have any questions or comments for me, please feel free to get in touch.

Thanks,
Ben

Welcome, Ben.

Shapeways is gaining incredible momentum, and it's nice to see that through all this growth the company keeps a human face and interacts closely with the community it has created. I'm looking forward to the many positive changes the new expansion will bring.

Good luck in your new job!

Thanks, Aeron. It is really important to us to be a part of this healthy community and to grow both community and company together.

Designers like you are the inspiration for what we do!

(I like the medieval pieces in your shop, by the way.)
