Hi everyone!

Im originally from London but currently living in Washington DC.

Im quite new to the whole creating thing, but I love the idea. This summer I created wedding invitations for one of my best friends. All 150 by hand, it took ages, but it was so satisfying seeing it all nice and done afterwards ))

Im looking forward to learning new things and getting fresh ideas!

Hey LakerFan, welcome!

So I assume you're interested in taking your creative efforts at least partially into the digital realm?
