It has been a bit of a delay, as it took 3 prints for me to be happy with the model. Then, I was working on my next model rather than paint this one.

In any case, the dwarf fighter only lacks the final sealer coats. My pictures are not the greatest, due partially to my camera skills and partially to the lighting I have available. At least I can focus on my archer when he and his panther arrive... <excitement>

I love this

The detail is incredible. Great work!
