Hi Shapeways fans,

Hinged Gift Cube is a variation to the original Gift Cube theme. Will Pulford suggested to add hinges. As the hinges keep cube pairs together, the puzzle is solved like a bandaged Rubik's Cube. This makes the puzzle harder to solve than a regular Rubik's Cube. Once solved, the puzzle can be hinged open. The lid of the puzzle stays with the bottom thanks to the hinges.

Watch the YouTube video.

Buy the puzzle at my Shapeways Shop.

Read more at the Twisty Puzzles Forum.

Check out the photos below.

Enjoy!

Oskar
